All persons residing upon or owning property upon streets of this city in which sewers have not been laid, and who have not sewer connections, shall be required to build, furnish, or provide upon their lot or lots occupied or which may be hereafter occupied suitable privies or earth closets as required by State law, for the convenience of those occupying or who may occupy such lot and the house or tenants thereon, but no privies or cesspools shall be put in cellars. Any person who shall violate this section or any of the provisions thereof shall be fined not less than \$2 nor more than \$10 for each offense. Chapter XI of the Code of Laws for the City of Alexandria, of 1874, is hereby repealed.

BELLEVUE, OHIO.

Tuberculosis (Regulation, Board of Health, adopted March 21, 1912).

SECTION 1. Tuberculosis is hereby declared to be an infectious, communicable, and preventable disease dangerous to the public health.

SEC. 2. It shall be the duty of every physician in the city to report to the office of the board of health the name, age, sex, occupation, and address of every person having tuberculosis who is now under the care of such physician, and such physician shall likewise hereafter report upon each case of tuberculosis that shall come under the observation of such physician for the first time within one week of such time. The records of such cases shall not be made public.

SEC. 3. It shall be the duty of the commissioners or managers, or the principal, superintendent, or physician in charge of every public or private institution, dispensary, or hospital in the city of Bellevue to report to the board of health of said city the name, age, sex, occupation, and last previous address of every person infected with tuberculosis who is now in their care or who shall hereafter come under their observation for the first time within one week of such time.

SEC. 4. In case of the vacation of any apartments or premises by death from tuberculosis, or by the removal therefrom of a person or persons infected with tuberculosis, it shall be the duty of the person in charge or the physician in charge to notify the board of health aforesaid of such removal within 24 hours thereafter, and such apartments or premises so vacated shall not be again occupied until duly renovated and disinfected as hereinafter provided.

SEC. 5. In case of the vacation of any premises or apartments as set out in section 4 hereof, the health officer shall immediately visit said premises and shall order and direct that such premises or apartments and all infected articles therein be properly and suitably disinfected.

In case there shall be no remaining occupants in such premises or apartments and same shall be vacant, then the health officer shall cause a notice in writing to be served upon the owner, or the agent of the owner of such premises or apartments, ordering the renovation and disinfection of such premises or apartments under his direction.

SEC. 6. In case any orders or directions of the health office requiring the disinfection of any articles, premises, or apartments, as hereinbefore provided, shall not be complied with within 36 hours after such orders or directions shall be given, then it shall be the duty of the health officer to cause a placard in words and form as follows, to be placed upon the door of the infected apartments, or premises to wit:

Placard for tuberculosis, etc.—Notice.—"Tuberculosis is a communicable disease. These apartments have been occupied by a consumptive and may have become infected. They must not be occupied until the order of the health officer directing their renovation and disinfection has been complied with."

This notice must not be removed under penalty of law, except by the order of the health officer; and such placard shall not be removed until such time as the order or directions of the health officer shall have been complied with and the removal of such placard authorized by the health officer.

DES MOINES, IOWA.

Board of Health—Organization and Duties (Ordinance Adopted Nov. 11, 1912).

SECTION 1. There is hereby created the health department which shall be a division of the department of public safety.

SEC. 2. *Organization.*—The health department shall consist of the health officer, city physician, secretary, quarantine sergeant, and such other inspectors as may be authorized by statute or ordinance.

SEC. 3. *City Physician—Duties.*—That the city council shall, upon its first organization, elect a city physician who has practiced medicine and resided in the city for at least two years and who shall hold his office for the term of two years and until his successor is elected and qualified.

The city physician shall be the physician to the board of health and shall perform any and all duties as may be ordered by the said board, city council, or superintendent of public safety. He shall attend upon any accidents or injuries of persons within the city, upon the call of the marshal or the chief of the fire department, his assistants, or any member of the police or fire department authorized by the marshal or the chief of the fire department to make such call, and shall accompany or provide a substitute, who shall be a physician, to accompany the ambulance in the transportation of all persons to their residence or hospital as the case may be. He shall attend only such firemen or policemen as may be injured in the discharge of their duties, and shall give the first aid to all injured persons, but he shall not be required to attend or administer to other city employees except as herein provided.

He shall make a physical examination of all persons holding or seeking positions under the city government when so required by the superintendent of any department having charge of such appointment or examination for position and render a written report on the same.

He shall attend any person in the city jail upon call from the city jailer and shall send any person who in his opinion is entitled to such aid to the hospital, and shall keep in communication and attendance upon such cases which have been sent and discharge such patients when in his opinion they should leave the hospital.
